

ARKABA
Wild Bush Luxury

Fauna, fossils and food of the Flinders

Four night self-drive experience | From \$2,994* per person, twin share

Discover the beauty and ancient history of South Australia's Flinders Ranges, with the new four-night 'Fauna, Fossils and Food of the Flinders' experience.

Enjoy two nights of outback hospitality and Flinders fare at Arkaba Conservancy, the 63,000 private wildlife conservancy. Following, continue on the Flinders adventure for the final two nights at Arkaba's outback neighbour, the Prairie Outback Lodge in Parachilna.

Included is an early morning scenic flight over Wilpena Pound, plus a fascinating day exploring the ancient history of the new Nilpena Ediacara National Park. It's the single most important site on the planet for the discovery of Ediacaran fossils, representing the rise of first animal life on the planet. Over 40 species have been recorded in the sediments of its ancient seafloors.

Discover the ancient beauty of the Flinders Ranges. A self-drive experience through ancient landscapes that will take your breath away. Available for bookings from June to October 2024.
